## Summary

I'm currently a second-year student at the Rochester Institute of Technology studying Game Design and Development. I'm actively seeking to work in the video game industry and hone my skills in my own time.

+ Everybody has a story to tell. I seek to tell my stories through video games and video game design.

+ I perform freelance work through graphics design, websites, application tools, and video game servers.

+ I take great pride in my work ethic as it has and will carry over into any task that I take on.

+ I actively build and manage Darkwater Entertainment, a video game server community with 275+ members where I actively create and develop websites, graphics, applications, and video game servers for personal gain.

PROGRAMMING COMPETENCIES: C#, HTML, CSS, Lua, Java, Python

TOOL COMPETENCIES: Microsoft Visual Studio, Unity, Adobe Suite, GameMaker Studio, Google Suite

I love to watch and play various sports and develop close relations with people. I get excited about opportunities to help others grow! I'm always looking to make new connections, so feel free to send me a note so that we can start talking!

## Experience

Vapotherm  
Assembly Line Worker

June 2020 - August 2020 (3 months)

Exeter, New Hampshire, United States

Assembled, cleaned, and packed out medical devices on an assembly line.

#### MY RESPONSIBILITIES

- Constructed excellent respirator Precision Flow units in a team of six for COVID-19 patients worldwide.
- Trained seven new hires to improve skills related to the job.
- Multitasked 3-4 different stations to keep production up to roughly 20 units per shift.

#### OFFICIAL JOB DESCRIPTION PROVIDED FROM VAPOTHERM:

The position of Capital Equipment Assembler Tier 1 is responsible for the execution of a variety of work instructions to produce finished goods for sale. A Capital Equipment Assembler Tier 1 is an entry-level or novice skill-level capital equipment assembler. A Capital Equipment Assembler Tier 1 performs and supports service operations of various products. Also, a Capital Equipment Assembler Tier 1 is responsible for the documentation of work presented in production and service, to meet regulatory guidelines for ISO and FDA compliance. A Capital Equipment Assembler Tier 1 should possess strong aptitude in mechanical or electromechanical devices, with a thorough knowledge of the operational parameters of the machine produced. A Capital Equipment Assembler Tier 1 needs to have excellent organizational skills and must function well in a team environment. Versatility and the ability to adapt well to changes and system improvements are essential. Exceptional finger and hand dexterity are required. Willingness to perform duties outside manufacturing. Willing to train others in all aspects of the assembly operation. Demonstrate a positive attitude. Work safely and use good judgment to be safe.

#### Private Farm

##### Farmhand

May 2019 - August 2020 (1 year 4 months)

Newmarket, New Hampshire, United States

Stacking hay bales and removing house siding.

#### MY RESPONSIBILITIES

- Stacked heavy hay bales alone on a wagon and in a barn's loft on 90+ degree days 2-3 days per week.

- Removed house siding skillfully and swiftly to redo the farmhouse's siding, saving roughly \$900.

### Three Chimneys Inn

#### Dining Room Busser

April 2016 - August 2019 (3 years 5 months)

Durham, New Hampshire

Bus tables, deliver food, cover basic set up and breakdown, and cater functions.

#### MY RESPONSIBILITIES

- Provided excellent customer service to customers and worked with co-workers to keep the facility clean and functioning 1-2 days per week for 6+ hours at a time.

### Bob's Stores

#### Inventory Associate

May 2019 - June 2019 (2 months)

Saugus, Massachusetts

Take inventory during and after store hours as temporary help. Help pack up and close the store when the store closed in June.

#### MY RESPONSIBILITIES

- Worked in a large team of 20-30 to take inventory and assist in moving fixtures out to close the location.

---
